Dear Community Members & Friends:

Sehome High School PTSA invites you to become an official sponsor of the eighth annual Athletics, Activities & Academics Dinner and Auction to be held on **Saturday, April 29, 2017** at the Four Points by Sheraton.

Auction proceeds benefit all of Sehome High School, from student clubs and teams to academic departments and art programs. Last year's auction reflected a net profit of over \$50,000, which helped provide equipment, supplies and programs not otherwise funded due to extreme budget cuts over the past few years. With your help, Sehome High School PTSA can raise even more funds at our upcoming auction.

In addition to the satisfaction of supporting Sehome High School, you will receive recognition at the auction and on the Sehome High School PTSA website, <http://sehomeptsa.weebly.com>

A complete list of sponsor benefits is detailed on the attached sponsorship form.

Funds raised by our auction last year provided:

- Support for the after school learning center, where students enjoy a quiet, supervised environment to study, with access to one-on-one tutors from WWU and Sehome High School;
- Support for all academic, music and physical education departments at Sehome High School, which allows discretionary spending within each department
- Support for 30 teams and clubs to be used for competition entry fees, travel and at their discretion
- Funds for athletic grants that paid for items such as equipment, athletic-related upgrades, and uniforms.

Your sponsorship will help ensure the success of our annual auction. Additionally, we appreciate your using any matching gift opportunities you have available.

Once again, thank you for your support of Sehome High School's auction. Please contact us by email at SehomeHS.auction@gmail.com if you have any questions. Visit us on Facebook too, *Sehome High School PTSA*.

Sincerely,

Meg Metzger
